Crochet this mini tiger with sock yarn and he will be very tiny.

Crochet tips!

All my amigurumi figures are crochet in spiral rounds. If not, I will mention it.

The colors in my patterns are an example. You always can choose your own. This also for the yarn. That is why I stopped telling the yarn I use, unless I want to have a special effect.

I crochet with 100% cotton yarn. Fluffy yarn is always acryl.

www.dutchamigurumi.wordpress.com

I am a Dutch amigurumi designer and since 2012 active on social media. I crochet since 2003 and I learned it by watching YouTube and old magazines. Soon I fell in love with the Japanese amigurumi. In the Netherlands there were not a lot of crochet patterns, so I tried to design myself.

Since 2012 I have my own blog and I moved this in 2018 to: www.dutchamigurumi.wordpress.com

My patterns are all Dutch (some are in English and German) and (almost) all free downloads on my blog or Ravelry. I also publish in a Dutch crochet magazine. These patterns are for sale or will be free later (one year).
